STAR-SPANGLED BANNER

Oh, say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last
gleaming,
Whose broad stripes and bright stars thro' the
perilous fight,
O'er the ramparts we watched were so gallantly
streaming?
And the rocket's red glare, the bombs bursting in
air,
Gave proof thro' the night that our flag was still
there.
Oh, say, does that star-spangled banner yet wave
O'er the land of the free and the home of the
brave?

ALMA MATER

Just as you like the Blue and White
Will fight for you and me.
And fight we must, our fight is just
Just as 'twill always be.
Our colors true are white and blue,
And true and clean they are
We love our school, it is the rule,
Both here and near and far.

DEDICATION

Twenty years ago last September two teachers came to this high school and became outstanding members of the NS family. Ten years later a third remarkable educator joined the ranks. This year we really miss the first two, Miss Pallotta and "Doc" Watson, and the "last but not least", Mrs. Smoke.

Health, happiness and harmony to all three.

Miss Pallotta stepped beyond the realm of the Social Studies Department and served as a class advisor and a dramatic coach. A graduate of Cazenovia Junior College, she also is claimed by Albany branch of what is now State University of NY, and SU. A native of Syracuse, she has not gone very far, and we may, with good luck, meet her somewhere around, sometime soon.

"Doc" Watson's name is Donald, but how many people, faculty and students alike, ever knew him as anything but "Doc"? He had a way of making "kids" feel important that was nothing short of a gift. Not only that, the results of his "green thumb" brightened many a school desk. The FFA will miss him, but they'll have to get in line! Luckily for us, he's still in North Syracuse, our favorite import from Oswego.

Mrs. Smoke, born in Canajoharie and alumna of Skidmore, then SU, taught Home Economics and l-i-v-i-n-g. A Marine veteran, Mrs. Smoke could yell at a student for minutes on end without stopping for breath — then turn around and turn the school upside down trying to help him. Her twenty-four-hour-a-day job as Dean did nothing to help her failing health, but we hope to see her around town feeling better.

The Yearbook Staff would like to add yet another name to our dedication list. We feel that this outstanding Teacher has done more than her fair share at North Syracuse High School. Who else could this be except for our Yearbook Advisor, Mrs. Jones

Mrs. Jones has devoted most of her spare time making sure the Yearbook is in nothing but, "tip top shape." She will be leaving the Yearbook Staff this year but her time and efforts won't be forgotten by us. Mrs. Jones deserves many thanks for keeping the staff going during the rough times we have encountered.

We, the Yearbook Staff, extend our sincere thanks to Mrs. Jones for her devoted time and for making each year something special to each of us. As the Senior Class of '77 steps out the doors of North Syracuse High School, we'll remember the good times we've had here, the laughter and the tears, and most of all, a dedicated teacher and a special friend, Mrs. Jones

Best wishes for a happy and rewarding future!

Oh gather 'round Northmen And you shall all hear
 Of the greatest of times that is Your senior year.
 From the moment as Freshmen we walked through the door
 We became N.S. Northmen each year more and more.
 Each moment went by and our memories grew
 And with each step we took we had learned something new.
 At class competition we fought and we won
 And knew that for spirit we were number one.
 And with the good lessons that those four years brought
 When Homecoming came it was victory they bought.
 Our float came in first and our teams? — They all won.
 And when we look back we'll remember the fun
 And now that we're seniors — we'll go separate ways
 But with every N.S. thought we'll cherish these days.
 Kim Bence

CLASS HISTORY

"There are not strangers here; just friends who have not met."

Four years ago the class of nineteen hundred and seventy-seven walked through the doors of North Syracuse High School for the first time. The big problem that faced us when we arrived at school was Homecoming. We decided to do our float as a rainbow to go with the theme "A Rainbow in Our Lives". Although we worked hard to make our float the best, we were surprised when it took second place in the parade.

We elected Lori West as president; Sue Slotnick as vice-president; Lisa Porter as secretary; and Lisa Lodes as treasurer. Our most immediate problem after choosing officers was picking a class mascot. "Devlin of '77", designed by Dan Bacich, became our mascot through a class vote.

We had a few bake sales and car washes to help raise money for our class treasury. Each step we took we found our memories growing more and more. By the end of our freshman year we learned from our mistakes and by the time we were sophomores we were pretty well organized. Our sophomore year we were led by Lori West, president; Dede Looke, vice president; Kathy Rowe, secretary; and Lisa Lodes, treasurer.

During our sophomore year we chose the type of ring we wanted. We kept to tradition by choosing the cross finger style but we added our own originality by making the stone oval.

We had a record drive, an M&M sale and a lot of bake sales to help raise money. Our major goal for our sophomore year was to raise enough money for the Junior Prom.

Our Junior year we were mainly concerned with making our Junior Prom a success. We elected Bob Shepard, president; Marge Dugan, vice-president; Kim Bence, secretary; and Sue Slotnick, treasurer. Bob organized committees to work on the prom and fund-raising.

During our Junior year we had a magazine sale and a pancake breakfast to raise money. All the Juniors sold magazines to lower the cost of their rings and to make a little extra money for the class. The Pancake Breakfast was at the VFW building. As each of us pass the building, the echoes of our songs and laughter will be heard forever.

Pam Snowberger and Steve Ward were co-chairpersons of the prom and they did an excellent job at making the prom "Precious and Few".

The prom was held May 7, 1976 at LeMoyne Manor in the Red Room. Each moment will remain a fond memory.

Our last year we were led by Steve Ward, President; Marge Dugan, Vice-President; Lisa Porter, Secretary; Kathy Reinisch, Treasurer; Pete Sequin, Sergeant-at-Arms; and Kim Bence, Historian.

We had another Pancake Breakfast during our senior year. It was at the VFW building and the International House of Pancakes sponsored us.

Our Senior Ball was held at the Hotel Syracuse Grand Ballroom, June 10, 1977. The theme was "The Hands of Time", which ended our Senior year at North Syracuse.

Chairperson of the ball was Annette Scarlata. She did her best to make the ball special.

As our Senior year is coming to an end we realize just how meaningful the years at North Syracuse have been. We'll find ourselves saying goodbye to friendships and teachers we have come to know, but the memories of our high school years will always be remembered in our hearts.

We may "pass this way but once" but our memories will long remain.

AND LAST BUT BY NO MEANS LEAST — The Yearbook staff, or should we say the survivors? Beset by a multitude of trials, the likes of which usually come one or two a year, this year we have suffered everything but fire and flood. (Cross your fingers: the copy isn't out of the building yet!?) Nobody but those involved will ever know what a time we experienced. Ye Advisor has but one comment: "I never could have survived alone!"

HOMECOMING '76

Almost everyone agrees that this year's Homecoming was the best one we've had in a long time. Chairperson Cathy Mulvey and the rest of Student Government did a fine job putting everything together.

Homecoming weekend started Thursday afternoon with a "rough and tough" battle in the Junior/Senior girls flag — football game. Plenty of pride was at stake and the girls were mighty serious as they took the field. It was a close game but the Senior girls were victorious.

Next, the homecoming spotlight shone on our soccer team, who obliged us with a win against Baldwinsville. What better way to start the weekend? But this was not the end of the first day of Homecoming. After the soccer game, the huge bonfire was lit. School spirit climbed with the flames, as everyone sang and cheered together. Then each class divided into separate parts of the field as the class competition games started. Sack races, three-legged races, wheelbarrow races and tug — o' — war created plenty of excitement for everyone as the cheering and shouting got louder and louder — not a bad way to end the first day of Homecoming!

Friday started with voting for Homecoming King and Queen in homeroom. The Pep Rally at the end of the day gave noone time to be bored. With introductions, gags, and screaming contests, who could doubt that the Pep Rally was a success? After the Pep Rally, the annual Homecoming parade marched down Route 11 at 5:30. The parade featured the homecoming candidates, the North Syracuse Marching Band and the class floats. The judging for the floats took place along the route, and although each class did a great job, the seniors came out the winners.

The traditional football game started later that night. Many old faces were seen amongst the crowd, as all alumni were invited back. Pre-game festivities featured the visiting Liverpool band's field show. At half-time our own Northmen Marching Band took the field. Then the homecoming King and Queen were announced, revealing Kevin Martin and Sue Slotnick as the winners. Maybe there was Homecoming magic in the air, maybe it was pure skill, but we finally won a Homecoming football game against Liverpool!

Homecoming ended Saturday night with a disco dance. Everyone had a good time stomping around to the music. Can anyone argue that this Homecoming wasn't the best we've had? All events went well. More people participated than ever before (even the seniors came to the Pep Rally!). We won our football and soccer games. Anyone involved in Homecoming '76 will remember it as one of the best weekends they've had as a Northman.

Cathy,

What is there to say to an old friend like you, except
I'm glad that we've stayed friends for so long. You're a
really sweet kid and a lot of fun to be with. I hope
that some of my remarks did not upset you, I was just
trying to help.

I'm really looking forward to your arrival to
Cobleskill. It'll be so much fun having an old buddy to
study with! You'll have to come spend a weekend with
me ~~so~~ even before you come to stay!

Remember to stay happy, it's the only way to live!
I hope that all your dreams come true! I'll be looking
forward to sharing part of our future together. We've got
to get together a lot this summer too. You have to come
over and swim!

Love Debbie
